Dear Parents/ Carers

What a BURFORD BEST week we have had - I have been talking to the children about how the ambitious curriculum helps them to learn. "The learning challenges my brain". Please take some time to speak to your children about their learning. All of the curriculum maps are available on the school website. [Burford Primary School \(burford-pri.oxon.sch.uk\)](https://www.burfordprimaryschool.org.uk/index.php)

This term we have focused on dreams and goals and linking this to our school value of aspirations. The children have discussed how it's important to have big dreams and aim high.

My door is always open and if you have any comments or suggestions on how we continue to become BURFORD BEST please do pop in for a chat,

Next Friday FoBPS have organised an end of term disco for all of the children. Please can they come to school in non-school uniform so they are ready for their disco. Children in Years 1, 2 & 3 will be taken straight from class into the school at the end of the school day.

Unfortunately, Mr Blake our maintenance man, is unwell at the moment. We do have a few small DIY jobs in school that need doing, so in his absence we are asking if anyone who could possibly help us? If you can help, or can recommend someone who can, please see Mrs Hunt in the school office.

As ever, thanks for your continued support - Happy Friday.

Mrs Rachel Veeder

Interim Executive Head Teacher
