Dear Parents/Carers

Reminder that FoBPS are selling ice pops straight after school today for 50 pence. Hopefully they will help cool us all down in this beautiful weather!

Over the next couple of weeks, we will be rolling out some new systems. One is 'Insight' where you will receive your child's reports and test results, such as the Year 4 multiplication check, Year 1 phonics screening test and the Year 6's SATs – these will be via email. Another new system that the whole Trust is now using is called Bromcom. Initially this will be for communication and will be replacing Parentmail. Moving on (hopefully after May half term), this will also replace Scopay so all lunches, breakfast & after school clubs, school trips, parents' evening bookings will be through Bromcom. It is so important that we have your current email addresses correct so you can access Bromcom and receive communication from us. Registration details for Bromcom will follow shortly.

What a glorious sunny week we have had - the children have loved playing in the paddock and enjoying the sunshine. Please check out the school website for curriculum maps this term. The children at Forces Club had a super day on Friday last week where they celebrated Month of the Military Child. They joined 2 other schools at the Priory for a full day of Forest School. The children loved the mud slide, underground tunnels and fire! Thank you to all of the staff for making the day so much fun.

Next week we will be having four Year 10 children in school for their work experience – all four children will be visiting our five classes through the week to gain the whole Primary school age experience.

Thursday 15th May - Census Day – we are putting on a special lunch that day – Pirate Day menu. See attached. Please book on as normal via Scopay either M for a Jack's burger or V for veggie burger.

Happy Friday – and will see you on Tuesday after a nice long bank holiday weekend.
Mrs Rachel Veeder, Executive Head Teacher

Burford Best

Tolsey Class had the most amazing trip into Oxford recently visiting the Natural History Museum which supported our Science work this year about human skeletons and fossils. It also helped us with our Geography lesson of comparing a city (Oxford) to a town/village.

Burford Best
